Re: Petition of the Office Regulatory Staff to Request Forfeiture of the Piney Grove Utilities, Incorporated Bond and to Request Authority to Petition the Circuit Court for Appointment of a Receiver; PSC Docket No.: 2005-110-W/S
Our file No.: 04.02

Dear Mr. Terreni:

The above-referenced matter is scheduled for a hearing before the Commission to begin on Tuesday, November 28, 2006 at 10:30 a.m. Unfortunately, I need to provide the Commission with notification of a potential conflict. I currently have a trial pending in Charleston County Court of Common Pleas entitled Centex Homes v. Southcoast Stucco which is likely to be called on Monday, November 27, 2006. If the case is called, it is anticipated to be a three to four day event. At this stage, the Charleston Court cannot provide assurance that we will not be reached on the 27th so I felt it most prudent to advise the Commission of this potential conflict. Should we go to trial, I will immediately have my office contact the Commission and the counsel of record upon notification by the clerk's office.

With kind regards,

Yours truly,

Hugh W. Buyck
